MINOR INJURIES UNIT NOW OPEN

The good news for many of us is that the Minor Injuries Unit (MIU) has opened once again at the Stratford Hospital.

The Minor Injuries Unit is open on Tuesdays, Wednesdays and Thursdays between 9am-4pm in Stratford Hospital Building 2.

The great thing is that you can get help with a non-serious injury rather than having to go to Warwick Hospital A&E, especially with the current roadworks on Warwick Road!

The Minor Injuries Unit treats conditions such as:

Sprains and strains	Wound infections	Minor burns and scalds	Minor head injuries

As always if you are unsure about whether you require instant emergency treatment you can go to NHS Choices online at 111.nhs.uk or call 111 free from your landline or mobile telephone
